SUPPLEMENT TO REPORT NO.

1. According to Czech customs officials, heavily armed groups of Polish (sic)* terrorists of UTH (sic)* have recently repeatedly crossed the Austro-Chech border into Austria. Three such proups are reported to have been seen between Schattau and Haid since 3 October 1950. These groups consisted of two or three men, wearing short rubber coats, rubber boots, and black caps or berets. They were armed with P-38 automatic pistols. Similar groups have been reported in the vicinity of Unterretzbach.
